Getting The Most Out Of Youth Accounts

Managing money is a foundational life skill. That's why it's best to give your kids a head start on money management and saving.

In honor of National Credit Union Youth Month, Magnolia is focusing on ways to help make this task as simple as possible for parents and guardians of our youth.

Magnolia FCU is proud to offer a specialized savings account for kids. Maggie's Club, our youth savings club account, is geared for children aged 0 -12.

Youth savings accounts offer no annual fees, competitive interest rates, and quarterly dividends.

Start them investing early with Magnolia’s Kidicate, a Share Certificate for kids. Member-owners 12 and under can invest in a Kidicate and maximize their earnings. Our Kidicates offer competitive terms and great interest rates. Visit www.magfedcu.org for more information on Magnolia’s Kidicates.

We’re more than just a gigantic piggy bank, we want to make banking and saving fun. That's why every child with an open youth account will receive fun educational newsletters, puzzles, contests, and more!

Ready to open an account for your child(ren)? Does your child already have one? Join Maggie's Club Today!

Here are three ways to ensure that he/she gets the most out of their account:
1.) Set a goal
Let your child use this opportunity to save for something big. Discuss ways to add to the savings.

2.) Bank together
If this is your child's first time owning an account, show them how to bank online, use our mobile app, or take them along when you stop by a Magnolia FCU branch.

It's also a good idea to warn kids of all ages about security. They should know to never share their account information with anyone.

3.) Monitor your child's activity
Always keep an eye on your child's account. If your child is depositing less than planned, have a conversation about money management and impulse purchases.

Every financial lesson you teach your child today equips them with skills for a lifetime.
A Message from Our CEO

Michael Waylett, Chief Executive Officer, Magnolia Federal Credit Union

Dear Valued Magnolia FCU Members,

A few months ago, Magnolia FCU committed to identifying more ways in which we could serve you better. We understand you have many options in selecting a primary financial institution, and we want to give you abundant reasons to choose us. To that end, we have some exciting changes to announce.

Technology Tuesdays: If you fall in the group of the 11% of Americans who say they don't use the internet or the 39% who don't use mobile or online banking, then Technology Tuesdays is for you! Every other Tuesday, our marketing team will be in a pre-selected branch for a few hours (generally 11am-1pm) meeting with our members, showing them how to enroll and use our mobile and online platforms. Come join us and find out how to save yourself a trip to the branch and bank from the comforts of your home.

Financial Counseling: In 2017, the average American is said to have had $63,000 in debt. Having excess debt and financial problems are often cited as the #1 stressor for Americans. If you’re having problems with your finances or budget, Magnolia wants to help! If you’d like FREE Financial Counseling from one of our certified financial counselors, make an appointment under Member Resources> Financial Counseling at Magfedcu.org or email financialcounseling@magfedcu.org.

Loan Promos: Did you know that borrowing $23,000 on a 66-month term at 14.99% interest will cost you $10,921 in total interest paid, while borrowing the same amount with the same term at 1.99% will only cost you $1,302 in total interest paid? The interest rate you get on a loan matters! Magnolia is not only offering free financial counseling to help our members qualify for lower interest rates, we are offering many loan promos throughout the year with discounted interest rates.

As always if you have feedback or concerns, please email experience@magfedcu.org. We appreciate your loyalty to Magnolia!

Sincerely,

Michael Waylett
Chief Executive Officer, Magnolia FCU

Magnolia Federal Credit Union is proud to announce the two recipients of the $1,000 David E. “Dave” Bergstrom educational scholarships for 2018 — Relissa Bates and Zakedria Langston.

Relissa Bates, a 2018 graduate of Madison Central, has been a member of Magnolia FCU since February 2018. Ms. Bates will be attending Hinds Community College in the fall. She plans to pursue an associate’s degree in Criminal Justice and then transfer to the University of Southern Mississippi to complete her bachelor’s degree with a minor in Psychology. Following graduation, she will pursue her dream of working in law enforcement or the military. Relissa is passionate about the Air Force JROTC program in which she has received numerous awards and achieved the rank of Colonel. Relissa’s goal is to provide service and safeguard the property and freedoms we all enjoy as Americans.

Zakedria Langston, a 2018 graduate of Yazoo City High School, has been a member of Magnolia FCU since 2016. Ms. Langston enjoys helping people and will be attending Hinds Community College in the fall majoring in Nursing. After earning her degree, she would like to become a postpartum nurse. Eventually, Zakedria plans on continuing her education by earning a doctoral degree. She is also a member of the JROTC and a Yazoo City High School Band Auxiliary Majorette. Zakedria loves seeing people happy and smiling and feels that nursing is the most natural and perfect fit for her.

The program was developed to honor the late David (Dave) E. Bergstrom who was the President/CEO of the Credit Union from 1990 to 2003. An astute businessman who achieved remarkable success in our industry, Dave strongly believed in continuing education. We would like to thank all our 2018 David E. “Dave” Bergstrom Scholarship applicants for applying and wish each of them the best as they continue to pursue education.

We would like to thank our friends at Magnolia, best of luck in your studies and careers.
